Eye on 65 is your resource for the latest thinking, trends and people shaping the future of retiree health care benefits.

Industry News: Inflation Reduction Act

On August 16, 2022 President Biden signed the Inflation Reduction Act of 2022 (the "IRA") into law, enacting healthcare, tax and climate provisions. The Inflation Reduction Act aims to lower prescription drug costs for Medicare recipients while for retirees (or family members) who benefit from the Affordable Care Act, it extends health insurance premium subsidies.

Case Study: Nevada PEBP

The Nevada Public Employees' Benefits Program (PEBP) wanted to provide its employees, retirees and dependents with access to high-quality benefits at affordable prices. By partnering with Via Benefits and moving retirees to the individual marketplace, they could offer a wide choice of affordable healthcare plans that met retiree needs while reducing program costs.
