Opportunities for making
retiree health care sustainable

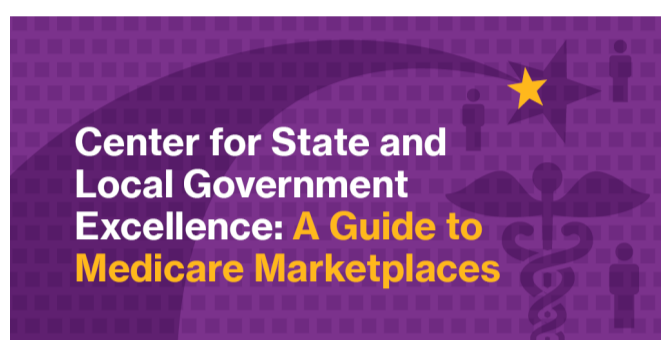

Eye on 65 is your resource for the latest thinking, trends and people shaping the future of retiree health care benefits.

Are concerns about retirement benefit cuts keeping your employees up at night?

According to Willis Towers Watson's 2020 Keeping Benefit Promises Study, public sector employees are worried that the retiree health care benefits they were promised won't be available when they retire.

Trivia Tuesday

Q: How many times does the average American check their phone each day?

A: 96 Times a Day – that's once every 10 minutes! [\(Source\)](#)

And now a word from our retirees...

“ I just wanted to thank Via Benefits for going out of their way to find us a less expensive plan that provides the same coverage. We're saving \$1680 a year! Whoopee!”
