

Edition 13 | 2/21/2023

Welcome to the latest issue of Keeping You In The Know - your resource to learn about the individual marketplace and recent Via Benefits news.

In this issue, I'm excited to introduce [Sara Taylor](#) as the new leader of our [Spending Accounts \(Benefits Accounts\)](#) business. While you may be familiar with Via Benefits' individual marketplace solution, the spending accounts team solution has always supported the administration of retiree HRA accounts. What many may not know is that the Via Benefits spending accounts solution also services active employee populations with the following products:

- Health savings accounts (HSA)
- Health reimbursement arrangements (HRA)
- Flexible spending accounts (FSA)
- Dependent care FSA
- Lifestyle spending accounts
- Commuter accounts
- Tuition reimbursement
- Adoption assistance

Sara has over 31 years of experience bringing strategic direction and innovation to benefits outsourcing solutions. Her broad benefits experience includes health and welfare plan administration, spending account administration, healthcare advocacy, compliance solutions and individual Medicare marketplaces. Sara is recognized for her deep subject matter expertise and ability to strategize and solution broadly across multiple services. Sara also has extensive experience leading strategic partnership relationships and merger and acquisition activities.

Please feel free to connect with Sara or me with any follow up questions! We look forward to sharing more about the Benefits Accounts team in upcoming issues of Keeping You In The Know.

A no-brainer

Kicking off season 2 of the Eye on 65 podcast, retiree David Sauter offers insight into his transition to an individual marketplace as an early retiree, experiences with annual enrollment, adapting to change in retirement and how Via Benefits has helped take the worry out of healthcare for him.

Take 20

Join us for another installment of Take 20, where retiree healthcare strategists, Jenny Morgan and Ryan Ruska, will cover changes to Medicare Part D driven by the Inflation Reduction Act in a snack-sized Teams meeting discussion.
