

Edition 14 | 4/24/2024

Welcome to the latest issue of Keeping You In The Know - your resource in learning about the individual marketplace and recent Via Benefits news.

Did you know that Via Benefits has a partnership program? We support a variety of partnership agreements to further enhance employee benefits.

In this issue, I would like to highlight TenCode Benefits. TenCode provides compassionate navigation to employers, employees, and their beneficiaries in the event of a death, accident, or terminal illness addressing the pain point associated with coordinating multiple vendors and partners at these critical times. To learn more about TenCode and their services, I invite you to visit their website [here](#).

Please reach out if you are interested in learning more about Via Benefits partnership program or would like to be highlighted in an edition of Keeping You In The Know.

Kathleen

Medicare Part D article

The Inflation Reduction Act (IRA) includes major changes to Medicare Part D intended to help Medicare enrollees beginning this year. But what does this mean for plan sponsors?
